Or

Wednesday June 15, 2022

9 a.m.-3:30 p.m.

The camp will be offered for grades 3<sup>rd</sup> – 5<sup>th</sup>.

The campers will learn the history of flight and will be creating their own airplanes using various materials. They will learn about flight dynamics.

The camp will also offer the history of rocketry. We will be experimenting with rockets and adhering to all safety protocols. The student will receive a T-shirt, their plane and a rocket to take home with them.

Any questions, please contact Suzanne Bartels 712-541-8412. Leave a message if no answer.

Bring a sack lunch or we will have a box lunch for them for an additional \$8.00.

Camp Fee:

\$60 for members

\$70 for non-members
