

# TENNIS SHOES ON THE TARMAC

Tennis Shoes on the Tarmac is a NEW one day STEM kids camp at the air museum. The camp is for students entering or just completing 3rd - 5th grade and will include hands on and feet on the ground activities. Half or full day camps are available.

Students will have a unique day camp experience by sitting in a WWII simulator and pilot seat with a parachute, hear from local aviators, climb in aircraft, experiment with their own 'parachute' and 'flight' lessons, and be out on the tarmac.

Parents on the Tarmac is scheduled right after each session where parents will be able to see their child's accomplishments.

Tuition includes camp shirt, a book, snack during each session, and a one day family pass to visit the museum.

Contact Suzanne Bartels with questions about the camp and scholarships at 712-541-8412. Register today for limited seats for the June 24 or June 25 session.
